Public Comments

Public comment on any subject matter within the Commission's jurisdiction.

Asst. Chief Vicino said he would brief the Commission on the recent officer-involved death at the next Commission meeting. Chairman Santore advised him that the next meeting would be held on January 25.

Training

A) “Hollywood vs. Reality: Officer Involved Shootings”

Viewing and discussion of video presented in Force Science News Transmission #194

Mr. Hauptmann said that the video that would be shown was prepared by the Oregon State Police and features a couple of instructors from the Force Science Institute, University of Minnesota. The video was designed to inform the community about what really happens during an officer-involved shooting. Most people believe shootings take place the way they are portrayed in movies or TV, and actually think that these portrayals are accurate representations of what is or can be done in real life. That is why the video is titled “Hollywood vs. Reality: Officer Involved Shootings.”

(The audio of this video is part of the audio for this meeting. The link to the video itself is available on the Commission’s Training Schedule page.)

2011 Annual Report

Discussion and action, if any, on Draft No. 1 of the 2011 Annual Report

Ms. Sherron advised the Commission that her primary goal in preparing the draft for the meeting was to get the data updated and the charts and tables inserted into the report. She noted that there was a new table added that needed descriptive text.

Commissioner Adams asked Ms. Sherron when they needed to get suggestions or corrections to her. Ms. Sherron asked that information for the report be sent to her by the Thursday before the January 25 meeting as whatever she had would be posted as Draft No. 2 and the version to be discussed on the 25th.

Commission Member Comments

Pursuant to Government Code Section 54954.2, Commission members may use this time to make brief announcements or a brief report on their own activities.

There were no commissioner comments.

Items for Future Commission Consideration

Commissioner Rotker asked that the revised public comment note on the CPRC agenda be agendaized for discussion regarding the process for public comment.

Commissioner Johnson reminded commissioners of the

- Martin Luther King, Jr. Annual Walkathon on January 16;
- Mayor's State of the City address on January 19
- Black History Parade in February; he asked that this be agendaized for discussion

Adjournment

The Commission adjourned at 6:10 PM.

Respectfully submitted,

PHOEBE SHERRON
